Well hello readers ,The weather forecast for the week-end was warm to hot ,and they weren't kidding over night some 20 degrees soaring to a blistering 38 /39 during the day a little to hot for some to handle SO the trusty generators came out of moth-balls for some especially those who swear by solar .That piece of humble pie must have tasted mighty sweet because there were a few tasters. Needless to say there were quite a few cool people thanks to their trusty air conditioners yours truly included. Swimming and shade chasing was the order of the day.

## Who Turned Up This Week-End?

*Well there was George and Sue , Steve and Lyn , Helen and Theo , Alan and Lyn , Daryl and Lois ,John and Jan , their friends Tony and Lola ,also Christine and Garry , Ian and Julie ,PLUS Ian and Sylvia ,Denise minus Rob for the day poor soul had to work then Margaret Q dropped in last but not least Alison and Gary with a fleeting visit from Rowena nice to see her again.*

*Brekkie this week-end was the opposite to last month instead of rain we encountered heat and pestilence i.e. Flies helping to eat our bacon and eggs (wot no aero guard?) Dam those flies. BUT ALAS the cooks were George ,Steve ,Daryl, Theo ,Garry , On the toast and tomatoes were Julie, Lois ,Margaret oh and not to forget LITTLE Denise. Thanks to all the cooks another job well done.*

*The Bushwacker prize was won by Robbo ? Good on ya*

*The president made a couple of announcements one concerning the Bushwacker tent as to the re waterproofing the roof or getting a new roof made we await the outcome of the price on that one .*

*Secondly robbo gave us a rough rundown of the Easter safari around Bendigo and surrounding areas sounds like another ripper robbo! And how much for the privilege you ask well \$ 7.00 per person Hell who's robbing who? continued*

*Continuing the announcements .....Any added expenses will be met by you i.e. entrance fees to attractions along the way .Any one wishing to come along we only want a show of hands at the moment fees will be taken later we just want to see how many would like to attend. You can let Robbo ,Steve, Lynda, OR John Stephens by word or e-mail or snail mail (letter) your choice.*

*Thirdly a letter was read out by one of our members as to the ownership of the Chuck wagon ? Why the bushwackers do not own it any more ?*

*The answer to that was to do with the insurance of the trailer was better with the C.M.C.A and as such they kind of own it BUT as long as we are around it remains ours .*

*After all that the meeting was ended , every one went about their business Except ALAN HODGES who bravely volunteered his time to clean up after brekkie good on ya al .*

*After the meeting people went scuttling for the shade or the comfort of their electrical stimuli out of the heat . Some went and played games “ Doesn't anything stop these people “ Bless em .Any way a couple of people started the task of packing up to leave while some of us stayed till Monday. All in all it was a good meeting under the circumstances.*

***SEE YOU ALL AT MURCHISON ON MARCH 9th TO 12th***

*Happy and SAFE travelling from the Bushwacker committee .*

**“SAT NIGHT AT MURCHISON WILL BE FISH AND CHIPS FOR TEA”**
